

HPCE DYNAMIS 350+/FLAT NOZZLE/440V

Product group: **436** Product number: **600215**

The Flat Nozzle is designed to deliver a precise, powerful spray pattern for high-pressure cleaning tasks. With its 040 size, this nozzle provides a moderate flow rate and a fan-shaped spray that ensures even coverage across surfaces, making it ideal for removing dirt and debris in industrial and marine applications.

This nozzle is part of the HPCE DYNAMIS 350+ series, engineered to handle high-pressure systems, and is compatible with 440V machines, providing optimal performance in demanding conditions. Its flat spray pattern is perfect for large surface areas, offering efficient cleaning with minimal water usage.
